I understand that there is always an adjustment period for any foster dog coming into my home. There is no specific time limit for an animal to be in foster care, and I am willing to work to make this foster dog a member of my family during his/her stay. I understand that many of these dogs have survived tremendous odds and need lots of TLC (tender loving care). I understand that **Whiskers, Tails and Ferals** cannot be held responsible for the actions, behavior and/or medical condition of the dogs that are rescued and placed in foster/adoption. I agree to assume the risks implicit in working with dogs who may have been abandoned, beaten, or otherwise mistreated or abused, or who may suffer from an illness, condition or disease. Although **Whiskers, Tails and Ferals** has dogs evaluated prior (if possible) to placing them in foster care, they cannot guarantee the temperament or disposition of any of the animals since most of their histories are unknown.

I understand that **Whiskers, Tails and Ferals** reserves the right to check on the welfare of any foster dog on my premises, with reasonable notice and to reclaim both possession and ownership without any form of compensation. In the event that I do not comply with the written and accepted foster guidelines and **Whiskers, Tails and Ferals** reclaims any foster dogs from me under the terms of this agreement, I waive my right to maintain the foster dog and hold **Whiskers, Tails and Ferals** harmless.

I understand that **Whiskers, Tails and Ferals** must approve all adoption applications, so I **will not** promise anyone that they can adopt my foster. Of course **Whiskers, Tails and Ferals** will be happy to receive adoption referrals and recommendations. If you are considering adopting your foster yourself, **Whiskers, Tails and Ferals** will consider your application prior to placing the dog in another home.

I also agree that if, at any time in the future, I cannot continue being a foster caregiver for ANY reason, I will not give away, sell or euthanize the dog(s) in my care. I will contact the program coordinator or volunteer for arrangements to be made to move the dog(s) into other foster homes within the **Whiskers, Tails and Ferals Foster/Adoption Program**. I understand that **Whiskers, Tails and Ferals** will be responsible for any medical expenses within reason that may occur while the dog is in my care. If a veterinary visit is necessary, please contact your foster coordinator and inform them so that approval and/or payment can be arranged.

I indemnify and hold **Whiskers, Tails and Ferals** and the Foster/Adoption Program free and harmless from all liability arising out of any and all claims, demands, losses, damages, action, judgment of every kind, and description which may occur to or be suffered by me, members of my household, or any third parties by reason of activities arising out of this agreement.

I have accurately completed this application and all information stated is true and correct. I have read the application and program description on this form in its entirety and understand the risks involved in working with these dogs. I also agree that if the information given on this application is not accurate to the best of my knowledge, I forfeit all rights to any and all foster dogs residing in my care (Please sign, print and date this form.
